

*"That Great  
Gretsch Sound"*

- **RENOWN MAPLE SERIES**
- **CATALINA STAGE SERIES**
- **CATALINA ELITE SERIES**
- **AUXILIARY MAPLE SNARE DRUMS**

A drum  
is a drum,  
is a drum,  
except when  
it has **GRETSCH**  
on it.

Really, what makes one drum so different from another? Well, if the badge on the drum says Gretsch, you can expect a level of detail that borders on obsession. Triple chrome plated castings, superb High-Gloss lacquers or durable Nitron covered finishes and a sound that can only be described as great.

Presenting three new series of Gretsch drums. Now available nationwide. Now accessible to all.

## RENOWN MAPLE SERIES

## CATALINA FEATURES

Catalina Elite and Catalina Stage feature 6-ply Mahogany shells with 30 degree bearing edges in your choice of high-gloss lacquer or durable NITRON finishes.

Fully adjustable independent double tom holder for infinite adjustment that stays put gig after gig, night after night.

Elite Series bass drums feature Natural Maple bass drum hoops. Stage Series feature black powder hoops with NITRON finish inlay.

The same professional castings found on all other Gretsch products gives you a level of quality second-to-none.

**Renown Maple Fusion set with 22" bass in Deep Black Lacquer** outfitted with the Gibraltar 9500 Series hardware pack.  
**GRMF825-BK / G9D2**

**Renown Maple Fusion set with 20" bass in Deep Red Lacquer with a matching 7 x 8 tom** outfitted with the Gibraltar ROCK Series hardware pack and accessories.  
**GRMF805-RD / GRM0708-RD / GRD2**

## RENOWN FEATURES

6-ply 100% USA Maple shell for toms and bass drums with 30 degree bearing edge and 10-ply snare with 45 degree bearing edge along with the Silver GRETSCH Sealer in all drums.

18" Deep bass drums on all sets with matching maple hoops and heavy-duty fold down telescopic spurs.

Close up of Die-cast claw hook on all Renown Maple bass drums.

Professional triple-chrome plated castings on all drums rounds out the quality you expect in a professional product.

## HARDWARE PACKAGE OPTIONS

Features, Value and Nothing but Options. Gretsch is proud to offer GIBALTAR hardware packages for all Gretsch shell packs. Six different hardware packs include all the hardware you need to support GRETSCHE Renown and

Catalina shell packs. This gives you six different configurations from ROCK single braced stand pack all the way up to a full blown Road Series Rack pack. GRETSCHE and GIBALTAR, the best with the best and Nothing But Options.
