How to purchase this kit:

- Find a Gretsch dealer nearby or call your online retailer.
- Pass on the article number at the top of this page.
- Your dealer can use this article number to quote you prices and delivery dates.
- Once ordered, delivery from our European warehouse to your retailer takes between 2-4 working days.*

Enjoy THAT GREAT GRETSCH SOUND!

*** Our stock list normally shows the stock of US kits in our European warehouse. Due to overlaps, we unfortunately cannot guarantee that this drum kit will still be in stock on the day of your order. You can reorder this kit at any time by quoting the item number. In this case, you must expect significantly longer waiting times.**
